

4Life Transfer Factor[®] 4Life

ANIMAL STRESS PACK

“For decades, the approach to maintaining health was to wait for signs and symptoms of disease to occur and to counter the challenge with an array of drugs which were toxic for the disease causing agent. This approach is now being questioned as the armada of drugs is diminishing due to multiple drug-resistant pathogens. So the question arises...what if a new paradigm existed? Could it be possible to optimize immune status so that disease is much less likely to occur and if it does occur, its severity and duration are minimized? The answer is yes and this shift is being engineered by small naturally occurring protein-like molecules called transfer factors.”

Dr. Richard Bennett, Comparative Pathologist

Ultra Immune Support

4Life's Transfer Factor Animal Stress Pack is a proprietary blend of immune support ingredients formulated with high levels of 4Life Transfer Factor E-XF. Pharmaceutical-grade probiotics, vitamins, minerals and electrolytes, critical during stress conditions, complete this powerful stress formula.

What is 4Life Transfer Factor Advanced Formula?

4Life Transfer Factor Advanced Formula provides far-reaching immune support. Animal Stress Pack combines the synergistic power of 4Life Transfer Factor Advanced Formula with the proprietary blend Poly-R to nourish, strengthen and activate the immune system. Poly-R contains ingredients that support the innate immune system, your first and instinctive response when your body is threatened.

Developed exclusively by 4Life, using patented and patent-pending technology, the E-XF proprietary blend used in 4Life Transfer Factor Advanced Formula calls upon the knowledge of two sources to provide an enhanced combined effect of transfer factors from both cow colostrum and chicken eggs. Research shows that the immune-building effects of this transfer factor blend are more potent than that of colostrum or egg sources alone.

Recommended Use:

For situations where optimal immune function is desired to maintain and support overall health and wellness. 4Life Transfer Factor Animal Stress Pack is formulated for all stress conditions to promote optimal immune function, electrolyte balance and gastro-intestinal health.

* For Livestock use 4Life Transfer Factor Plus Livestock Stress Formula.

Safety:

This product is designed to assist immune system function and complement current diet and dietary supplements. It will not interfere with normal treatment protocols and can be used safely with medications, including antibiotics.

Packaging:

Each box contains 7 - 2 ounce foil packets
Can be added to drinking water
Top dressed on feed or drenched.

Ordering Information

Item # 28515 - 7 - 2 oz packets
Item # 28516 - 4 pack

Item # 81575 v.011508 © 2008 4Life Research. All Rights Reserved.
For use in the United States only.

DAILY DOSAGE DIRECTIONS - Mix with food or small amount of drinking water. May be administered orally after mixing with a small amount of water. For best results give 1/2 dose in AM and 1/2 dose in PM.

FOR ALL LARGE ANIMALS THAT ARE NOT CONSUMED AS FOOD - (Livestock: horses, cattle, swine, sheep and goats)

- 2-30 lbs - 2 level tsps per 10 lbs (minimum dose - 1/2 tsp daily)
- 31-100 lbs - 1/2 packet (5 level tsps) daily
- Over 100 lbs - 1 packet daily (10 tsps)

SMALL ANIMALS - (dogs, cats, poultry, rodents, reptiles and all exotics)

- 2-70 lbs - 2 level tsps per 10 lbs (minimum dose - 1/2 tsp daily)
- Over 70 lbs - 1 packet daily

VERY SMALL ANIMALS - (Under 2 lbs.)

Mix and use as drinking water.

Mix 1 level tsp with 1 cup water.

After mixing, refrigerate and discard unused portion after 24 hours. Additional product may be given as recommended by your veterinarian.

Supplement Facts

EACH 2 oz PACKET CONTAINS:

Transfer Factor Plus®	1,500 mg
Transfer Factor E-XF™	
A patented concentrate of transfer factors and other natural components from cow colostrum and egg sources	
Proprietary Blend	1,500 mg
IP-6 (Inositol hexaphosphate)	
Soya Bean Extract (phytosterols)	
Olive Leaf Extract (<i>Olea europaea</i>)	
Mannans (from <i>Aloe vera</i>)(leaf)	
Poly-R™ Proprietary Blend	1,000 mg
<i>Cordyceps sinensis</i> hybrid	
<i>Agaricus Blazeii</i> Extract	
<i>Coriolus (Tremetes Versicolor)</i> (turkey tail)	
Poiria Cocos	
Inonotus Obliquus	
Maitake Mushroom (<i>Grifola frondosa</i>)(whole plant)	
Shiitake Mushroom (<i>Lentinus edodes</i>)(whole plant) (5:1 extract)	
Vitamin A	12,150 IU
Vitamin D3	3,125 IU
Vitamin E	400 IU
Vitamin B1	35 mg
Vitamin B2	35 mg
Vitamin B12	4 mg
Dipotassium Phosphate	4000 mg
Potassium Chloride	566 mg
Magnesium Sulfate	226 mg
Calcium Pantothenate	62 mg
Ascorbic Acid	62 mg
Lactic Acid Bacteria	2.8 Billion CFU

OTHER INGREDIENTS: dextrose, sodium chloride, silicon dioxide, citric acid, glycine and artificial flavor.
